

Making Goals Official: The Financial Goal Certificate.

It takes planning and smart decision-making for kids to reach their savings goal. Writing it down and setting a deadline is one strategy to help them achieve it more effectively. Use this certificate to keep your kids on track to achieving their savings goal.

My Financial Goal

My Goal is to save \$ _____

so that I can _____

by _____

(Date)

I pledge to remember my goal when tempted
to spend money on other things.

(Adult's Signature)

(Child's Signature)

MONEY
