

Conversation Starter: When a Birthday or Holiday is Approaching.

Shopping for presents offers a great way to teach kids about goal-setting. Learn how to take advantage of this hands-on learning opportunity.

When a Birthday or Holiday is Approaching:

Talk to your kids or classroom about buying presents for a friend or family member for an occasion like a birthday, Mother's Day or Father's Day. Help them set a budget and show them how or help them to shop to stick within it.

Keep going, you're doing great!
